The logo consists of a stylized blue 'D' with a red horizontal bar across its middle.

DrainDoctor
Commercial Drainage & Emergency Plumbing Services

UK's #1 for Commercial Drainage & Emergency Plumbing

When drainage or emergency plumbing issues strike, you need a partner you can trust.

We understand that issues like blocked toilets, clogged drains, or unmanaged grease traps can disrupt community facilities, pose risks to public health, and create unnecessary stress for local councils and authorities.

Our expert team delivers swift, effective solutions to ensure a safe environment and minimise disruptions, allowing you to focus on delivering top-quality public services.

Why choose Drain Doctor?

- **Trusted Expertise:** Over 30 years of experience serving organisations like yours.
- **Proven Reliability:** Renowned for delivering fast, effective solutions.
- **Commercial Experts:** Tailored solutions for your organisation's needs.

We're not just an emergency response team; we're your trusted partner for long-term preventative maintenance and repairs.

Solutions That Prevent Disruption and Protect Reputation.

Stop drainage and emergency plumbing issues from disrupting your staff and local communities.

Drainage and emergency plumbing issues can disrupt vital work and compromise the safety and comfort of your local communities. With our expert services and swift response, Drain Doctor ensures minor issues don't become major setbacks.

Not only can we assist with emergencies - our routine maintenance services help you avoid costly downtime, protecting your operations and safeguarding your reputation.

Let us take care of your drainage and emergency plumbing needs, so you can focus on what matters most - ensuring your local communities have everything they need to thrive.

We're here 24/7, 365 days a year to respond rapidly when you need us most.

Blocked Bathroom Drains

Blocked drains can compromise hygiene, safety, and the well-being of your local communities and staff.

Our expert team help:

- **Combat Slow Drainage:** Reduce risk of water buildup or flooding.
- **Maintain Hygiene:** Ensure facilities meet community expectations.
- **Identify Cause:** Find and fix the root cause of any blockage issue.

Fast, Reliable Solutions to Keep Local Communities Thriving

A RAPID RESPONSE TO DRAINAGE AND EMERGENCY PLUMBING ISSUES ENSURES PUBLIC TRUST IN YOUR LOCAL AUTHORITY

Blocked Toilets

Don't let a blocked toilet disrupt your operations. Keep your community comfortable, clean, and well cared for.

Here's how we help:

- **Reliable Unblocking:** Get your facilities back up and running, ASAP.
- **Thorough Investigation:** Address the root cause of the blockage.
- **Preventative Solutions:** Reduce the risk of future blockages.

Urinal Maintenance

Avoid odours, leaks, and hygiene issues with well-maintained urinals.

Here's how we support your business:

- **Prevent Odours & Leaks:** Keep washrooms clean and functional.
- **Thorough Cleaning:** Trap cleaning, uric scale removal and waste pipe cleaning to ensure proper drainage.
- **Bio Treatments:** Improve hygiene and long-term performance.

YOUR COMMUNITY RELIES ON CLEAN, FUNCTIONAL FACILITIES.

Blocked Kitchen Drains

Blocked kitchen drains can cause closures to community spaces and local housing, preventing those in need from getting daily meals.

Our services include:

- **Advanced Diagnostics:** Quickly identify and resolve issues.
- **Expert Unblocking:** Tailored for commercial kitchens.
- **Preventative Maintenance:** Avoid future blockage issues.

Grease Management

Unmanaged FOGs can cause blockages, damage your sewage systems, and disrupt your day-to-day operations.

We specialise in:

- **Grease Trap Installation and Maintenance:** Protect your plumbing and sewage systems.
- **Safe Disposal Solutions:** Eco-friendly grease removal.
- **Regular Cleaning:** Prevent buildup and safety issues.

We're Always Here To Help

We can also support you with a range of other drainage services including:

CCTV Surveys

Our CCTV drain inspections detect blockages, damage, and subsidence, providing detailed surveys and drainage maps for the systems you manage.

Drain Repair

Expert drain repairs using advanced technology to fix blockages, cracks, and damage, ensuring effective, sustainable solutions for your properties and spaces.

Gully Maintenance

Professional gully maintenance to prevent blockages, ensure proper drainage, and maintain smooth water flow, protecting your properties from flooding.

PPM

Prevent costly disruptions with a tailored PPM agreement, ensuring smooth drainage, plumbing, and property infrastructure maintenance for your local area.

Why Local Authorities Choose Drain Doctor

Our expert engineers provide a professional, prompt, and reliable service tailored to your organisation's unique needs. Whether it is a minor repair or a major issue, we ensure minimal disruption and keep everything running smoothly.
